L I V E B Y T H E L A K E

Sector 25, Sports City, Yamuna Expressway

The greatest civilisations in the world have always settled around its greatest water sources. Rome was settled around the Tiber. Persia came up around the Euphrates, Tigris and Indus. The Egyptian Civilisation came up around the Nile. Over time, it has become the most basic of human instincts to feel at peace and calm around a water body – the source and nurturer of all life.

Presidency Infraheights Pvt. Ltd. is a dynamic and innovative brand with a passionate commitment to excellence in Real Estate development. The company stands for an uncompromising belief in quality and perfection, and promotion of a truly global lifestyle in India. Every project the company plans to initiate will be unique in nature, in sync with the broad vision of its founder; Mr. Owais Usmani.

Upcoming residential township
of 25 Acres on Yamuna Expressway

Mr. Owais Usmani, Managing Director

Mr. Owais Usmani has carved out a niche for himself in the business world due to his emphasis on fairness and transparency. The motto has helped him achieve greater heights not only in India but also in other parts of the world.

He is a dynamic, farsighted, energetic and young entrepreneur and left no stone unturned in making a successful career in the field of mining & trading operations. He has forayed into many fields including minerals trading, mining, marbles, metallurgical, energy, and hotel Industries and is enthusiastically implementing his expertise made him one of the largest exporters of Chrome Ore in the Overseas.

At a time when real estate buyers were finding it difficult to invest in projects because there was a lack of fair and transparent deals, Mr. Usmani entered the sector and changed the dynamics by announcing Presidency Infraheights Pvt. Ltd. The company stands for an uncompromising belief in quality and excellence, and a commitment to the promotion of a truly global lifestyle in India. Keeping these broad visions in mind he started his venture in real estate industry by offering to the public at large, a chain of luxurious residential flats under a 100% FDI Funded Project. Its commitment is reflected in all the aspects of its core competencies, right from the acquisition of land for development, approval from Government bodies & fulfilling the other regulatory norms to planning, designing, construction and marketing. It has unrivalled expertise in creating elegantly designed living spaces that exhibit the highest standards of global quality.

Its first project is a heaven for a Cosmopolitan lifestyle pioneering upscale condominium initiative located in Jaypee Sports City, Sector 25, Greater Noida, and the success of this project will increase the value of Presidency Infraheights Pvt. Ltd. The entire project has seven (7) Towers with total of 629 residential flats/apartments spreading over the land of 5.5 acres. The project is in advanced stages of construction and promise to bring to India a whole new paradigm in luxurious living.

Presidency Infraheights Private Limited is also the holding company of Presidency Green View Private Limited. The Company Presidency Green View Pvt. Ltd. has acquired a land admeasuring 25 acres in sector 22A, Greater Noida from YEIDA. The Company is also looking forward for its quick launch with residential and commercial units. However the launching activity is under process seeking approval from Government authorities. This upcoming project will add feathers to Presidency Group leaving remarkable mark in the real estate segment. The upcoming project will have an approx. investment of Rs. 2,000 crores.

Along with the regional developments, he is also involved in the upliftment of the poor & needy sections. Having a soft corner in his heart for them he started a charitable organization named as 'Glow Star Welfare Society' where the unprivileged sections of the society are served in the best possible manner. He has contributed significantly in the growth of thousands of people in and around the villages of Uttar Pradesh especially Allahabad, Kanpur, Fatehpur etc, as well as for the development of the society, through his untiring and humble efforts in upbringing of the downtrodden. He has an inclination towards supporting and uplifting the poor / underprivileged people, so that they can have a significant existence in the society and participate in its development.

TRUST COMES First

We have a long standing tradition of partnering with only the best. In keeping with that unshakeable fundamental way of working, we have formed associations that will give you not just the home that deserve but one that you might not even be able to imagine.

Architects M/s. Hafeez Contractor, the firm which is the winner of over 70 national and international awards has conceptualized, designed and executed a wide range of architectural projects like bungalows, residential developments, hospitals, hotels, corporate offices, banks, financial institutions, commercial complexes, shopping malls, educational institutions, recreational & sports facilities, townships, airports, railway stations, urban planning & civic redevelopments and infrastructure projects.

A pioneer in the field of architecture, Mr. Hafeez Contractor is a living legend who is handcrafting the new age of India with vision and architectural brilliance.

Structural consultant

M/s. Mahimtura Consultants is a leading name in Civil Engineering and Construction Industry. The company possesses professional finesse in planning, designing and detailing structures and new-age buildings. With more than fifty years of profound experience and a team strength of 500 dedicated experts, the company has carved a niche for itself in luxury constructions.

Landscape Architect

A creative and dynamic organization that specializes in artistic landscapes, **Integral Designs** is led by industry veteran, Mr. Samir Mathur. From hotels to monuments to schools and hospitals, Integral Designs has been landscaping consultants for leading brands and buildings all over India. The company focuses on integrating indigenous flora with foreign species while maintaining the aesthetic sanctity of the location.
